Love Life

You will have a good social life. There would be love or romance but for short periods. No love for anybody is expected. Desire and mental oscillation will misguide you a lot. You will enter into relationships with older women. Loss of wealth and health is eminent. Some old relationships will reappear. You will get just about nothing emotionally from these associations. Fundamentally you will remain very lonely at home and also outside.

Marital Life

Things would work better for you if your spouse is not your race or religion. There is good chance that your marriage will occur during the first half of 2012. Marriage will be arranged through the family. Your spouse would be educated and from a good family. She will be beautiful and well placed in career. You will not gain financially during marriage. Your marital life maybe quite disappointing. Intimacy or understanding will be very less. Your attitude will repeatedly clash with the ambitious nature of your spouse. Your stubbornness will reduce the fragrance of marital life. You will not be ready to change your ways in any manner. Separation will be frequently discussed. Your sex life will be good and children may not be many.

Do's

Try to help others as much as possible.
Help orphanages financially or through service.

Don'ts

It would be good for you to be prepared and not expect a fruitful and harmonious married life which could lead to disappointment.

Recap

Love affairs are possible but these will not lead to marriage.

Marriage will be arranged by elders in the family and friends.

Marriage may take place during the first half of 2012. Thereafter possibilities are less.

You will get to know the prospective bride towards the end of 2011.

Suggested Remedy

1. You may perform Navagraha Homam / Durga Suktha Homam for a fruitful and happy family life.
2. You should perform pooja at Rahu Sthalam on Wednesdays for health, wealth and harmonious married life.
3. Worshipping Goddess Shakti will improve peace and general happiness in family.

Conclusion

Astrology should be used as a self-development tool to realise the inherent inner potential. It should be used as a road map to guide one's life. It helps us determine our strengths and weakness so that performing suggested remedies nullifies the effects of the weak planets. Astrology can only guide a person about the absence or presence of certain tendencies. It is up to the individuals to use this information as a tool to form their own decisions. We wish you good luck and pray that you overcome all obstacles in your life.
