Conclusion

Astrology should be used as a self-development tool to achieve the inner talent every human being possesses. It should be used as a road map to guide our life. It also helps us determine our strengths and weakness so that performing suggested remedies nullifies the effects of the weak planets. We reap what we sow. We sow in our past life. We reap in the current life. Astrology's purpose is to guide an individual to know his responsibility and to decide what is best. Astrology can only guide about the absence or presence of certain tendencies. It is up to the individuals to use this information as a tool to form their own decisions. We wish you good luck and pray that you overcome all obstacles in your life.

Important Note

You may find that one part of a prediction may be apparently in direct contradiction to a statement made in another part of the same prediction. The fact is, some such contradictions as these exist in every nature, and are to be found in even the best-balanced characters. In some, these paradoxical contradictions are more marked, and where that is so Astrology shows the nature of two opposing tendencies, and points out which is likely to win. While going through these predictions, please also go through the strength and net benefits given, so that you can find out which part of prediction will be more applicable to you. The predictions should be treated with discretion. We do not guarantee any of its forecasts and assume no responsibility for any of your actions taken based on these predictions.
